VINYL PRODUCTS LIMITED WARRANTY

Revision 07312015

Solar Innovations, Inc. will further be referred to as the Company.

PRODUCT WARRANTY

Company utilizes components from a variety of high quality and established manufacturers. The component manufacturers offer warranties of various lengths, depending upon the nature of the component product.

If a product defect relates solely to a component part which is subject to a separate warranty offered by its manufacturer, the warranty period, terms and conditions, and limitations of the component manufacturer shall apply. If those component warranties are not attached, they are available upon request from the project manager.

In the event a product defect does not arise out of a specific component subject to a warranty by its manufacturer, Company will nonetheless warrant the product for (one) 1 year for cases of normal use, except as otherwise noted below.

Customer's remedy under this warranty is limited, in the discretion of Company, to: (1) repair of any product or part of the defective product without charge; (2) furnishing any product or part of the product, shipped freight prepaid by Customer, in whatever stage of fitting and/or finishing it was in when originally supplied by Company; or (3) refund the price received by Company for any defected product or applicable component. No other remedy is afforded. Company reserves the right to determine whether or not a defect exists for which it is responsible under this warranty.

INSTALLATION WARRANTY

If the products are installed by the Company, Company warrants that the installation will be free of material defects in installation workmanship for a period of one year following substantial completion of installation by Company. Installations by other(s) are NOT covered under this warranty. The Company reserves the right to determine, in its sole discretion and after its own inspection(s), whether or not a defect exists for which it is responsible under this limited warranty. No repair or replacement shall extend the warranty period or any applicable part thereof.

WARRANTY CONDITIONS

All warranties (whether product or installation) are conditioned on and shall apply only if the following conditions are fully met:

- a) The products must have been installed and constructed either by the Company or by a fully qualified installation professional strictly in accordance with the plans, drawings, specifications and instructions of the Company;
- b) Timely payment in full of all outstanding balances due for the project have been received by the Company.
- c) The Company receives completed project photos and completed end-user information (warranty validation form) within sixty (60) days of delivery of product. The Company reserves the right to request additional photos for verifications. Please be advised that the Company's receipt and acceptance of the photos does not constitute its inspection of the installation or its confirmation of the quality of the installation. The Company also reserves the right to utilize photos for marketing and training purposes.
- d) All recommended cleaning, use and maintenance instructions must be followed by the Customer and/or other responsible parties.
- e) The original Customer must notify the Company of the claimed defect within 30 days of the defect occurring by writing to Warranty Department, 31 Roberts Road, Pine Grove, PA 17963 or skylight@solarinnovations.com (with "subject" line indicating "Warranty Claim") and receive written acknowledgment of the claim.
- f) Upon claim acknowledgment and written direction from the Company, the Customer will return the alleged defective part, material, or product to the Company (or location designated by the Company), with the shipping charges prepaid by the Customer.
- g) The product must be made available for inspection by the Company before removal, repair or alteration.
- h) Except as modified or prohibited by component warranties, Company's warranty may be transferable one time, in writing, from original Customer to a third party of its choosing. Otherwise, only the original Customer has warranty rights. The Company must be notified, in writing, within 30 days of the transfer of the warranty by the original customer in order for the warranty to remain valid.

The Company's warranty will be void for any projects/claims not meeting the listed criteria.
